# Spooky Men's Chorale

Based on the twin pillars of grand foolishness and the quest for the perfect subwoofer-rattling boofchord, the choir commentates the absurdity and grandeur of the modern male, armed only with their voices, a sly collection of hats and a twinkle in the eye. They draw on a combination of Georgian table songs, pindrop beautiful ballads, highly inappropriate covers, and immaculate man anthems like "Don't stand between a man and his tool", all of which amount to a manifesto for the new breed of man: happily suspended between thug and wimp.

Friday 23rd February | 7:30pm
